# New Level of Greatness:

## COURSE 1 WORKBOOK

Welcome Partner,

I want to personally welcome you to the first step in getting control of your life. What if I told you a devastating storm was blowing your way? What would you do as a result of that announcement? Many people are living their lives unprepared for what is coming. Don't be like millions who will be victimized because of a lack of preparation. This course will help you respond to the announcement and help you develop a strategy for YOUR life.

Consider this: On December 26, 2004 at 1:00 am in the morning an earthquake hit in the middle of the Indian Ocean. This quake was caused when the Indian Plate was subducted by the Burma Plate and triggered a series of devastating tsunamis along the coasts of most landmasses bordering the Indian Ocean. The result of this earthquake killed 230,000 people in 14 countries and coastal communities were inundated with waves up to 100ft high. It was one of the deadliest natural disasters in recorded history.

This course allows you to create a strategy for moving into success. You will begin by examining where you are currently in your life. You will then learn of the 5 seeds that you must operate in to experience greatness. Lastly, you will learn how to operate on a 12-month calendar designed for you to live life as God has truly intended.

**IAMe2e** has a goal to help equip you for tomorrow. You will be able to obtain, maintain, and MOVE in ways that will increase your spiritual, economic, and social capital. There is a storm coming, so let's dive into this course and prepare to win!
